✓ Metallic strips

## Description

SAT POS solutions designed exclusively for you. Streamline, optimize and efficiently renew your processes, providing the experience that your employees need and your customers want.

We designed our 119 cash drawers to provide the perfect combination of elegance, versatility and reliability for your company (24/7 operation). The 119 series offers automatic opening options from the receipt printer or computer, and manual opening by key. Ideal for retail markets, supermarkets, corporate, and payment points where there is constant cash handling.

Cash drawers are designed to provide the ideal compact experience thanks to their coin and compartments for coins and banknotes.

They are constructed with metal components for greater resistance.

Operation of more than one million opening cycles.

Installation flexibility.
Ideal for point-of-sale solutions
(Payment Points, Supermarkets, etc.)
