DESCRIPTION:

The SAT FHD 21 SLIM monitor is a versatile and modern solution designed for those seeking visual quality and hassle-free functionality. Featuring a 21.45-inch IPS display with Full HD resolution (1920x1080), it delivers intense and accurate colors (16.7 million color tones) that remain sharp even at extreme angles (178°/178°), making it ideal for work, movies, or content sharing. Its 100Hz refresh rate and 5ms response time (with OverDrive) ensure smooth performance in gaming and dynamic videos, minimizing motion blur.

The ultra-slim design, with a 12.7mm bezel and a weight of just 2.2 kg, is complemented by a metallic Y-shaped base that provides stability and elegance for compact spaces. It includes HDMI and VGA ports, along with a ready-to-use HDMI cable, ensuring immediate compatibility with laptops, consoles, and more. Perfect for those who value simplicity, performance, and contemporary style.
