- ✓ VESA 75 × 75 mm mount compatible.

DESCRIPTION

The SAT PMC1000 10" Monitor is the ideal customer-facing display designed to complement the SAT N140 and SAT N150 All-in-One POS systems, providing a professional solution for customer information display. Its 10.1-inch TFT LCD screen delivers clear and sharp visuals, making it perfect for displaying transaction details, pricing, promotional content, loyalty programs, or advertising at the point of sale. With its compact design, multiple mounting options, and availability in both Touch and Non-Touch versions, the SAT PMC1000 seamlessly integrates into a wide range of retail environments, enhancing the customer experience while optimizing checkout operations.

Displays transaction details, promotions, advertisements, and loyalty program information to enhance the customer experience.

Designed to perfectly complement the SAT N140 and SAT N150 All-in-One POS systems with a clean and professional appearance.

Supports VESA mounting and multiple stand options for quick and flexible deployment.

Its 10.1-inch form factor maximizes counter space while maintaining excellent visibility.

Built for continuous commercial use, delivering dependable performance and long-lasting durability.
